

Good morning

Text: 1. Strophe: Lore Kleikamp / 2. - 3. Strophe Joachim Fuhrig Musik: Detlev Jöcker

1. Good morning, good morning,
good morning, how are you?
Good morning, good morning
and how are you?
It's really nice to see you here
and I am happy you are here.
Good morning, good morning
and have a good day.

2. Good afternoon, good afternoon,
good afternoon, how are you?
Good afternoon, good afternoon
and how are you?
It's really nice to see you here
and I am happy you are here.
Good afternoon, good afternoon
and have a good day.

3. Goodbye, goodbye,
goodbye, how are you?
Goodbye, goodbye
and how are you?
It's really nice to see you here
and I am happy you are here.
Goodbye, goodbye
and have a good day.
